Jugal Signifies Smiles

"be the reason someone smiles today"

about us

Jugal K. Sachdeva embarked on this journey with just one brick, oven in 1975 and had sailed through some difficult yet rewarding times to now running a successfully bakery, Jugal Bakers. The bakery doesn't just sell Cakes, Rusk, Cookies they sell quality that is uncompromised to date and still wins the heart of its users...

history

In 1975, a man with a vision set out to build a business by helping busy corner bakeries. Equipped with one brick oven, he began producing rusk and selling them to local bakers, founding what is now Jugal Bakers. That man Jugal K. Sachdeva. He Started a family business that is still thriving today with the third generation in leadership. How had Jugal Bakers survived the ups and downs of business for over 40 years ? Through product innovation, coupled with the desire and ability to take risks, to bring customers what they need and want. Our company operates with deep commitments to our customer's success. From 1975 till date, we focussed on providing quality Rusk, Breads, Muffins, Cakes, Cookies and Namkeen to a growing number of bakeries, Supermarkets and food service customers. Jugal bakers is a company which has been associated with food processing industry since 1975. With our nationally certified production facility and unmatched quality standards. The Company has trained the workshop to produce high quality products under close supervision in strict hygiene condition. The mixing of the high quality ingredients to produce high quality products for the customers.

We feel very strongly about a number of values. Our customers can count on us supplying the best quality with a very high level of reliability. We do what we have promised. We are also an innovative partner, we not only react quickly to market demands, we also follow regional and national consumer trends closely and are quick to anticipate customer needs. Finally, we place a great deal of importance on sustainability.
